Northbay Biz Magazine

The NorthBay Biz magazine has a long history of providing business news to the North Bay. The publication is distributed monthly to Sonoma, Marin and Napa County business leaders. Each month the magazine focuses on issues that are relative to business in the North Bay, including construction, medical facilities, wine sales and production, finance and more.

Northbay Biz is offering the 9-14x rate for members to place an ad in a minimum of 3 issues. Ads placed through the NorthBay Biz NCBE co-op plan are required to use the appropriate bottom banner (see samples on next page) for the size of the ad.

Choose the appropriate editorial for your 3x campaign from the NorthBay Biz editorial calendar . This program is offered as a standalone ad for NCBE members only (see www.ncbeadvertising.com).
